May 2018

National Vice Commandant

Members of the Mideast Division,

Spring is finally here; at least in most of the Division! There are still a few places where Old Man Winter refuses to leave, but eventually the weather will get warmer and the grass will get greener in those area soon enough!

I recently returned from Marine South, it was an OUTSTANDING event! Well attended and many vendors showing off their new equipment available for the Marine Corps to review. It was good to see many of the Leaguers there, outside our Division, that are always there to lend a helping hand in stuffing bags and handing them out. Marine Jack Jackson, of the Onslow County Detachment #262 (DoNC), helped to make it a great success by providing donuts and coffee each morning and pizza and chicken for lunch each day of the event. This was appreciated by all of the volunteers and we thank Jack, and his restaurant sponsors, for providing all of the free food! You may have heard, or even seen, some pictures of your National Senior Vice Commandant, Dennis Tobin, and myself running an obstacle course called "The Battle Challenge"! For two "Salty Marines" we both did a great job in completing the course!

May is just around the corner and I look forward to attending four Department Conventions in the first three weekends; West Virginia, Delaware, Maryland and Virginia. North Carolina will hold theirs the last weekend in June. I appreciate every Department for staggering their Conventions to allow me the opportunity to attend them all!

As we all also know, our Division Conference is being held 15-17 June, hosted by the Department of Maryland. I look forward to a well attended Conference. Your Division Adjutant, Frank Mathers, has been doing an excellent job of keeping the Division up to date on this event. This is more than a League Conference; it is also a family reunion! Don't delay in registering for it so that we all have an opportunity to share some great information but to also enjoy the company and conversation of fellow League Members!

I can't say enough how proud I am to serve all of you in the Mideast Division! It's what all of YOU do that make our Division a benchmark for others to emulate! Every Mideast Officer has an open door policy, so contact any of us with any assistance you need. Take care of yourselves and each other.

Semper Fidelis,
Bruce R. Rakfeldt
National Vice Commandant

ATTENTION ON DECK!

There has been a wonderful increase in membership numbers! Since the December 2017 roster, the Division has increased our paid membership by 361 members!!

Keep in mind that annual dues will have to be sent to National NO LATER THAN 31 August, don't delay in doing this!! If members pay you now, they will be good until 2019 so the sooner you get it in, the better for everyone involved!!

Also, keep in mind that you need to remind your members to do this as National no longer sends out reminders.

Mideast Division Chaplain

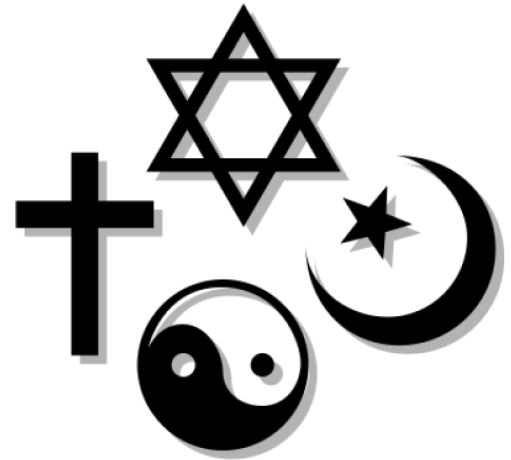

All Department and Detachment Chaplains:

I will need a report of all deceased members from the 2017 MidEast Division conference to 1 June 2018 so I can prepare my report for the DVC and membership. Please get this information to me ASAP so I have time to get it all together. If need be, send me the decedents you have now, and just update me if there are more. Hopefully there won't be!!

Email justlee.taylor@yahoo.com or call me at 540-588-4134

Thank you

Lee Taylor

Mideast Division Adjutant

Please keep me updated on the current email addresses of all Department Commandants and Adjutants. Please send any email updates to mclmideastadjutant@gmail.com. This information is needed in order to send out timely Division news and information to keep everyone up to date on what is going on within the MCL.

Also, keep National update to date on current and accurate email addresses for the Department and Detachment leadership when submitting the MCL Officers Installation Reports.

Departments need to have a listing for every Commandant and Adjutant/Paymaster in their Detachments. This way anything that National or Division sends out to the Department Commandant is forwarded down to every Detachment. We need to do a better job of disseminating information to all members.

I request that all Officers check their email messages more often. This will help the Division especially if we receive a request from National with a short turn around.

If you are a current Department Commandant or Department Adjutant and you are not presently receiving emails from me please let me know.

I look forward to seeing you at the Mideast Conference on 15-17 June 2018. <http://www.mclmideast.com/wp-content/uploads/2018/02/2018-Registration-Convention-Packet-Fillable.pdf>

A Word about Social Media: There has been much talk in the news lately about Facebook and its alleged misuse of member information. It is important to note that whenever you use a social media service, and you sign up for an account and give them your information, you agree to their Terms of Use when you create your account. Many of us just click past those long documents full of legalese, but in them you are agreeing that they can use your information. Remember, the service may be "free" to use, but for these social media sites, YOU are the product. Your information has significant value to them because they make money by selling your likes, dislikes, activity, and the information from your profile. Your information is like gold to advertisers because they can target marketing dollars to show ads only to those most likely to buy their products. So, in exchange for your free use of social media, you agree that they can use the data that you have given to them. Three things about this that we need you to know: first, if you use social media services like Facebook or Twitter, by creating your account and signing up you have agreed to let them use your information for marketing purposes; second, the Marine Corps League MidEast Division never collects, shares or sells information about you, and in fact, does not collect any information about you via our online presence; third, you have the power to restrict what social media sites can collect and share by using the profile settings provided in those services. If you are concerned about what is collected or shared by a social media platform, just login to it like you normally do and go to your profile or security settings. Here you can view and change what they can collect and what they can share.

Online Security Tip: If you shop online often or use social media services, it is a good practice to use a different email address than you use for anything else. For example, many banks with online banking and mobile apps will use your email address as one key method to verify your identity. If you use that same email address with Facebook, Twitter, or other online stores, and if one of those sites gets breached and the criminals obtain your email address, there is a higher risk that they could login to your bank account too if the email addresses are the same. So, in short, if you bank online or use social media, use a different email address for your online banking accounts than you use for your other shopping or social media accounts.

As always, I welcome your feedback and suggestions!

Editor's Corner

Hello, all!

At the time of composition, winter is still holding a tenuous grasp up north. I'm hoping by the time of distribution that we'll finally have consistently warm temperatures, as this is getting to be frustrating and depressing!! Go home, winter, you're drunk!!

The MidEast Division Conference is quickly approaching. If you haven't sent in your registration yet, please do so ASAP!! All pertinent forms can be found on the MidEast Division's website, as well as a method to pay online. If you're from Maryland, you know how I operate when it come to deadlines. I am most unforgiving to those who want to come along after the fact and ask to be registered. It will be done, but I will not be happy about doing it!! All of the conference information has been available for months and getting things in late makes more work for me and those who are kind enough to help me. Please be considerate and send your registration in by the 1 June deadline, but EARLIER IS BETTER!!

Also, please be aware the nominations for the MidEast Division Marine of the Year are due by 15 May!! This only gives you a few days upon receiving this bulletin to get your Detachments to approve, write up, and mail in a nomination. We have approximately 115 Detachments and 3,500 members in the MidEast Division. How only 3 or 4 people are deemed worthy enough by the Detachments to receive a nomination is just plain sad!! It isn't that difficult to write up a nomination and if you have issues trying to get started, there is a guide on the MidEast Division's website.

In personal news, I'm still plugging away at my classes with the American Military University. It can be stressful at times juggling school, work, and League items. I recently took a few well needed days off to visit friends in Minneapolis and sometimes wish I had stayed there. LOL

I hope everyone is doing well. I look forward to seeing you all at the conference!
