Department Chief of Staff Report May, 2019

Marines of the Department of MD,

This has been a busy 3 months for me getting ready for the upcoming Department of Maryland Convention in Ocean City. I have mainly been compiling and finishing the convention booklet.

Attended the Mid-winter Conference and Growl.

Attended my Detachment's installation of officers and awards dinner.

Did the installing of our new officers.

Starting to work on the art for our patches, coins, and stamp, for the 80th Supreme Growl.

I want to thank all who have sent me historical information for their Detachments and Department. I am still seeking information on anything to do with the history of our Department. This is very important as we are losing so much of our history

Semper Fi,

Jack Severn,

Chief of Staff and Historian, Dept of MD

TOYS FOR TOTS AND VAVS REPORT
STATE OF MARYLAND CONVENTION, MARINE CORPS LEAGE
OCEAN CITY, MARYLAND – MAY 10 2019**

2018 TOYS FOR TOTS PROGRAM

The 2018 Toys for Tots Program was extremely successful. Attached is the information submitted by the Detachments and no additional information was submitted prior to printing this report. Hopefully, in the future, Coordinators will submit information on any time of participation they have with their Detachment, County or an organization who supports the Toys for Tots Program. It will be helpful if the Commandant or Coordinator supply that information prior to the October 1st kick off date of the Toys for Tots Program.

VAVS COMMITTEE

During this period, volunteers were informed that in order to protect the health and well-being of Veteran patients, the flu vaccination is now required for all volunteers and employees throughout the VA health care system nationwide. A volunteer who chooses not to receive the flu vaccination may take a break and return to volunteering after the flu season or they must wear a mask while volunteering at any VAMHCS facility during the flu season (December 1, 2018 through March 31, 2019).

The design for the new hospice facility at Loch Raven is ongoing and the facility will be accessible from the main portion of the building. Volunteers are always needed and recertification classes will be scheduled during the next months. The new clinic is located at 5253 King Avenue, Rosedale, Maryland; an open house which afforded patients and volunteers the ability to see the layout of the facility prior to its opening.

Currently, donations are being requested at Loch Raven so that new televisions may be purchased for each living facility in the hospital. Also, there is always a need for funds for the VA homeless facility, coffee fund and general fund, just to name a few. It is also time for the Golden Age Games and funds are being solicited so that our athletics can be sent to the games. A copy of the first Annual Joint Review for Loch Raven is attached. We hope that during this year, we can increase our volunteer participation and have Department members participate in other types of events held at the facility, i.e. cookout and/or Bingo.

The meetings are held at Towson American Legion Post Number 22,

Respectfully submitted,

Marian C. James, Toys for Tots and VAVS Chairman

In the Maryland Council table, Delmarva covers the whole Eastern shore and hence has districts in Delaware and Virginia as well as Maryland. Laurel Highlands has districts in Pennsylvania and West Virginia as well as Maryland. In Mason-Dixon, there are districts in Maryland and Pennsylvania.

In the Baltimore district tables, I have indicated the County. To find the part of the county for the district, you can look at the council map for the districts.

Good luck.

The BSA functions are done through geographic areas. There are Councils made up of Districts with units, in this case troops. I did a search for Councils in the state of Maryland. The attachment labeled Maryland Councils give you the information for our state. If you want a different state, use the following URL

www.scouting.org/discover/local-council-locator

It will ask you for a zip code. Put a town/city in the area you are interested. I looked up zip codes for Frederick, Hagerstown, Cumberland and Oakland to get information. The information the National scouting website will give you is the name of the council, the address of the headquarters, and the major phone number. If you google the council name, you can get the URL for their website.

When you visit the Council website, you can find the names of the districts and contacts for them. I made up a table for the Districts in Baltimore Area Council to give you the idea. The District Executive/Director is the paid person who works for the Council and with the District. He/she can answer your questions. The district website will give you information on the makeup of the District. The District Chair is in charge of most of the District functions and knows a lot about advancement. The advancement chair works with the eagle applications. The District Commissioner works with the units and runs the Roundtables (monthly meetings of scout leaders).

Each troop maintains a list of what organizations they contact for certificates to be given to the eagle for the Eagle Court of Honor. This list is modified for each Eagle. There is no mandatory list that every unit uses. To get on that eagle's list, you either make an announcement at Boy Scout Roundtable (contact the District Commissioner for the date, time, and place) to let unit leaders know or make a presentation at that Roundtable. The other way to get on a list, is to contact the District advancement chair and see if your organization can be added to the list that they distribute at the Eagle Information training that is given to life scouts who are working toward eagle. As far as I know there is no master list of boys who are in the eagle process. Each district has their own process. The District Advancement committee is aware of which eagle candidates have gotten permission for their project and later when they turn in their notebooks for an Eagle Board of Review. My guess is that both lists are not available to the public for privacy concerns.

For scholarships, the Roundtable and Life to Eagle information meetings are the best way. For certificates, the same is true. For information about possible Eagle projects, I think that the best bet is to contact the District Advancement Committee. They may suggest a visit to Roundtable.

Current NBR of Marines Veterans residing at Charlotte Hall (60)

What's new for Charlotte Hall Veterans Home:

CHVH has some plans for new changes coming up that they are very excited about? They have had a large need for Skilled Nursing beds as opposed to Assisted Living. This means that the veterans coming through our doors to live here have a higher level of care and need more assistance. They are in the process of converting one of the Assisted Living units to a Skilled Nursing to better meet the needs of the community. They are also giving CHVH a bit of a face lift with all new furniture in our rooms for their residents. The furniture is expected to arrive in the next couple of months. General improvements around the facility have been ongoing to aide in this "face lift". They have been repainting our units (incorporating dementia professionals to guide in color selection that helps to soothe and orient residents with dementia), new flooring, and even adding a new arcade room!

Detachment 1305:

Working closely with CHVH, Detachment 1305 is the primary MCL Detachment that provides active support along with the Southern Maryland Young Marines.

MCL Detachment Commandant present a plaque to the CHVH thanking them for their support in taking care of our nations veterans.

So please keep this in mind list when collecting donation for the various veteran's homes.

**Quarterly Report
Baltimore Detachment 565, Marine Corps League
February 10, 2019 - May 9, 2019**

Report of information, events and activities for the Baltimore Detachment Number 565:

Membership:

For this period, the Detachment had one (1) renewal, one (1) Life Member and one (1) change of address. Corrections to Associate totals indicate that all have paid and our totals reflect that change. There were no new applications received as of this report.

	<u>PLM</u>	<u>PAID</u>	<u>TOTAL PAID</u>	<u>UNPAID</u>
Regular	129	34	163	5
Associate	5	5	10	0
Multiple	<u>5</u>	<u>0</u>	<u>5</u>	<u>0</u>
Totals	139	39	178	5

Member Deaths and Distressed Members: During this period, we have not had any funeral services for members but it was reported on May 3, 2019 that Joseph E. Humberson, Jr., living in Sebastopol, California passed. His wife will have a memorial service for him at a later date. We sent thinking of you cards, birthday cards and get well cards to members who are out-of-town or who do not attend meetings regularly. Several members have visited the wives of members who passed, calls have been made and cards have been mailed. Additionally, several members who attend meetings regularly have been hospitalized and cards were mailed.

Activities:

Our Detachment continues to have monthly Bingo at Greene Street where we give monetary prizes, cookies, candy and sodas to the players. For several months, we were tasked with giving out Girl Scout cookies that were donated by Troop 1680 who included a "Thank You for Your Service" on each box of cookies.

We continue to work with Special Olympics in the office, the Polar Bear Plunge, Indoor and Outdoor Bocce, Interscholastic Field and Track Games, Unified Sports, and the Winter Games. The games are held throughout the state and in Pennsylvania. The Antietam Detachment and Earl Ruff posted colors for Special Olympics at the Indoor Bocce Games in Hagerstown. Prior to attending this convention, time was spent working the Baltimore City Field and Track Games for Special Olympics.

Members of our Detachment, the Gold Star Mothers, Northeastern Unit Number 285 and Federal Unit 19 visited Loch Raven on Valentine's Day to say "Thank You" for your service and give special gifts to our Veterans. This year we gave afghans to the female patients but every veteran received gifts. We participated with the Gold Star Mothers when they visited the Greene Street facilities to say "Thank You" to the Veterans at that location.

Several of our members attended the Mid-Winter Conference in Fredericksburg, Virginia on February 28, 2019. Marine Stuart Blair made a report on numerous items that were discussed. Members were told that they can purchase the red blazer from JC Penny. Members were informed that the only cover to be worn at funeral ceremonies is the red cover.

March 29, 2019 was Welcome Home Day for Vietnam Veterans. Gilcrest sponsored an event honoring Vietnam Veterans on 30 March 2019 and some of our members attended the event.

The 4th CEB held a reception at the Detachment after its Change of Command Ceremony on 6 April 2019. It has been determined by the National Commandant that the Marine for Life Program is the most important program in the Marine Corps League. Our Detachment Marine Family Assistance Program Chair Hierstetter reported making contact with the new I and I Sergeant Major and believes our relationship will now improve. There was some discussion on whether we should change the name of our Marine Family Assistance Program to Marine for Life.

The Irreverent Warriors, Suicide Prevention Awareness Group of Marines began their walk/run event from the Detachment on Saturday, May 4, 2019. There were approximately one hundred (100) participants from a variety of states. Detachment members were asked to come out to welcome, encourage, see them off and cheer them as they returned to the Detachment. Refreshments were served and we took photos so that we can write an article to submit for the Semper Fi magazine.

Marine Vaughn reported that the pistol match sponsored by the Pennsylvania Marine Corps League will be held on 7 June. Prospective shooters are being registered and new participants were encouraged to sign-up.

We continue to encourage our members to attend regular meetings, participate in our Veteran Programs and obtain new members. Our recruitment efforts entail mailing applications to Marines, extending invitations in person, sending reminders to delinquent members and attending special events where we are able to meet and greet prospective members.

Respectfully submitted,

Marian C. James, Commandant

- The Hettchen Detachment has 44 members. We conduct regular meetings on the second Tuesday of each month at 19:30 at the American Legion Post on Viers Mill Road in Rockville, Maryland. We welcome visiting Marines.
- **Membership:** The detachment membership is growing slowly but growing. We lost another Marine this quarter due to unexpected loss of life. That makes a total of two for the year. We have been able to recruit two additional members. We have three that are marked as unpaid that have moved from the area and will not pay. We still maintain approximately forty members not counting the active duty HAD's..
- **Activities:** Plans are being discussed to have a dining-in with the ladies, a fishing trip on the Chesapeake and possibly a Bowling night. There are plans being made to team up with two other Detachments in the Frederick area to start shooting matches at the Isaac Walton in Frederick. The Commandant along with Marine Wayne Miller took part in the "Welcome Home Viet Nam Veterans" at Martin's West. Marine Wayne Miller of our Detachment sang the "Star Spangled Banner" and "God Bless the USA. Marine Miller is combat wounded and lost his leg in Viet Nam, he sang "God Bless the USA from his wheel chair and when he got to the lyrics "I will stand up next to you, he rose from his chair on one leg with Marines in dress blues on each side of him. You can imagine the reaction.

- **Events:** We will have our Installation of Officers on May 14, 2019 followed by a covered dish affair.

With the loss of Robert Rossi, our Chaplain Mike Harting continues his commitment to serving Eagle Scouts with MCL presentations. He is doing a great job.
