Individual Membership Recruiting Awards

Each and every year, a special form must be filled out by the individual member and signed by the Detachment Commandant and Detachment Adjutant/Paymaster, then mailed to the Department Junior Vice Commandant.

This Membership Recruiting Program will include New Members, Out-of-State Transfers and National Member-at-Large (M-A-L) Transfers. All of these members increase your Detachment Membership Strength, so they will count for Department awards.

The goal of this program is to increase the overall Department Membership strength and most importantly recognize our members who go above and beyond in recruiting Marines, FMF Corpsmen and FMF Chaplains into the MCL.

Department Recruiting Awards will be issued as follows:

A **citation** will be given to those members who have recruited 5-20 members during the year.

A **Distinguished Service Medal Citation** (signifying the accomplishment) will be presented to those members who have recruited 20 plus members during the year.

Recruiter of the Year: The one individual member that has recruited the most members though his/her individual effort will be presented the **Department Recruiter Medal – Silver** and a plaque with their name engraved thereon and a Recruiter of the Year Award Citation (signifying the accomplishment.)
